

SUHAAN MOBHANI

suhaan.mobhani25@imperial.ac.uk

+44 (0)7587332940

EDUCATION

MEng Computing (Artificial Intelligence & Machine Learning), Imperial College London **2025 – Present**

- Modules include: Computer Systems, Computer Architecture, Graphs & Algorithms, Databases, Calculus, Linear Algebra, Discrete Maths, Logic & Reasoning.
- Frequently work in small groups for projects and tutorials

Aditya Birla World Academy, Mumbai **2011 – 2025**

- Cambridge A Levels: Mathematics (A*), Computer Science (A*), Physics (A*), Chemistry (A), Further Mathematics (A), AS English Language (A), Economics (B), IPQ (B)
- Cambridge IGCSE: 9 A*s
- Aditya Birla Education Trust Merit Scholarship of 100% for A Levels
- FIRST Robotics Competition – Binary Bolts

Self Initiatives

- AP Examinations: Human Geography - 5; Calculus AB - 5; Calculus BC - 5; Statistics - 5; English Language and Composition - 4; Computer Science A - 5 **2021 – 2022**
- AP Scholar with Distinction Award **2022**
- AP International Diploma **2022**
- Johns Hopkins University CTY Grand Honors Awards **2021**
- Won 124 medals (97 Gold) across national and international math competitions **2018 – 2025**
- USA Mathematical Olympiad - USA(J)MO Qualifier **2022 – 2025**

RESEARCH PAPERS

Independent Research & Paper Writing (IRPW) Course at Euler Circle **Summer 2024**

Research paper on Integer Linear Programming, highlighting the utilization of the simplex tableau method and efficient cases for adapted problems.

Research Paper on Weather Forecasting Patterns **2024**

Conducted a comprehensive comparative analysis of logistic regression and advanced machine learning techniques to improve the accuracy of weather forecasting models.

The paper was published in Springer, and presented during the ICBT Oxford 2024 conference.

Cambridge International Project Qualification (IPQ) - Computer Science **2024**

Investigated AI self-detection of generative AI models as a plagiarism checking method

Wolfram High School Summer Camp **2022**

Utilized Mathematica to analyze the drop in EDM songs

PROJECTS

Tutix.ai **2026 – present**

Founded Tutix, a cognitive learning OS that continuously adapts using user interactions. Integrated a live AI tutor to make quality tutoring more accessible and affordable in areas with limited educational support.

IMTC (imtcontest.org) **2019 – 2025**

Co-Founder of IMTC, offering international-level math competitions for global mathletes.

Aditya Birla Math Club Mentor **2022 – 2025**

Mentored and trained nearly 60 students in the Math Club for AMC & WMTC.

TheCALT (thecalt.com) **2020 – 2024**

Built a courseware platform with live moderation text-based classroom & graded assessments with metrics, while teaching AMC 10 Bootcamp and developing the website and contest portal.

ALP (AMC Learning Program) (@AMCLearningProgram) **2021 – 2023**

Led web development for the ALP, overseeing a team of 4-5 developers, created online course system

Host of Talk Show - Back to School

2018 – 2023

Conceptualised and Hosted - Back to School - a celebrity web show on Bollywood Hungama YouTube channel.

EMPLOYMENT

Alchemy Capital Management Pvt. Ltd.

Aug – Sep 2025

Interned with the Fund Quant team, working on regime classification, portfolio optimization and feature engineering. Framed problems mathematically, using methods such as linear programming optimizers while accounting for practical and theoretical feasibility. Presented updates during regular meetings.

Hungama Digital Media Entertainment Pvt. Ltd

Jun – Jul 2024

Worked on Showdown feature for Bollywood Hungama's (www.bollywoodhungama.com) box office database. Enabled users to cross-examine box office statistics of celebrities, movies, and studios. Presented weekly updates on progress and testing, investigating user interaction in the process.

VOLUNTEERING

SCOUTS

2013 – Present

Rover & Patrol Leader of my group at 94th East Bombay Aga Hall Scouts and Guides - a part of Bharat Scouts and Guides.

GLOBAL ENCOUNTERS, KENYA

Dec 2023 – Jan 2024

430 hours of Community Based Service Learning at Little Theatre Club Mombasa (Asiliya Africa) as part of Aga Khan Development Network's Global Encounters camp at Mombasa, Kenya. Taught them AI prompt engineering, AI image upscaling and other digital initiatives.

MUMBAI PUBLIC SCHOOL

2023 – 2024

Volunteered with Akanksha Foundation to impart STEM knowledge to students as a Student Social Responsibility initiative.

COURSES

COMPUTER SCIENCE

Machine Learning ([DeepLearning.AI](#) & Stanford University), Mathematics for Machine Learning (Imperial College London), Machine Learning for Trading (Google Cloud), IBM AI Engineering, Python 3 from Codecademy, AI Apps with ChatGPT, Dall-E and GPT-4 from Scrimba, Coursera Meta IOS mobile app development: Principle of UX/UI design, Programming Fundamentals in Swift, Create User Interface with Swift UI, Version Control

MATHEMATICS

Counting Strategies Level 2, Computational Geometry Level 2 (Awesome Math Summer Programme), Calculus, Intermediate Number Theory, Intermediate Counting & Probability, Intermediate Algebra, Pre-Calculus, WOOT (Art of Problem Solving)

PROGRAMMING LANGUAGES

- Preferred: Python, HTML, CSS, JavaScript, Flask, Haskell, Java/Kotlin
- Familiar with: SQL, Swift, Mathematica

INTERESTS

Active member of the Department of Computing Society, attending industry talks.
